THE EBEN TRAVELLERS INSURANCE POLICY

EFS provides cover for the passengers of our various modes of transport throughout the major cities of South Africa and across borders within the SADC region. We come to you with a plethora of products that are specifically designed to cover passengers who are boarding taxis, buses and any other vehicles that transport people from one place to the other.

Our state-of-the-art covers are specifically for **Passengers Only**. It needs to be the responsibility of each and every passenger to make sure they are covered before they are aboard any vehicle to another city or country in the SADC Region.

Who Buys The Insurance Ticket & Where is it Sold?

Eben Funerals aims at partnering with all Long Distance Taxi Associations so that the insurance amount shall be included in the Bus Ticket so that one shall make a single payment. These tickets will be available in all Taxi Ranks and in our Eben Funerals Office. Secondly these insurance tickets will be sold at Computicket, Pep, and Pic n' Pay. We also shall provide an online facility where one could just access the link and purchase the Insurance Ticket.

As soon as the vehicle is about to leave, all drivers shall take a picture of their passengers list and either email it to the Eben Funerals Office or alternatively send it through Whatsapp. Along the way when they encounter fatalities, Eben Funerals shall be notified so settlements shall be processed. As soon as the notification is received, we will be in touch with the next of kin whose details appear in the Passengers List. The transport services provider shall also provide with an Accident Report Copy so that the drivers can also be covered.

Below are the Prices and Amounts payable to the families when they lose a family member who had purchased a TIP. Please note that all the vehicles to be covered shall either be from Gauteng to another province and vice versa, and again they shall either be from South Africa to any SADC country and vice versa.

No	PROVINCE OF DEPARTURE	DESTINATION	INSURANCE COST	COVER AMOUNT
1	Gauteng	Western Cape	R60.00	R 5 000.00
